

Form N – Chapter Grade Report  
Explanation

You are in college first and foremost to get an education and earn either a well-paying job or admission to a graduate or professional school of your choice. One part of this is obtaining good grades. Good grades are also recognized in the Triangle Code of Ethics (Maintain a Creditable Scholastic Record).

In order to promote scholastic standards, Triangle Fraternity celebrates achievement:

- Highest Triangle Chapter GPA wins the Scholarship Cup
- Most Improved Chapter GPA wins the Scholarship Plaque
- Highest Pledge Class GPA wins money
- Highest Average among Fraternities on Campus for the year wins money
- A Chapter with a GPA above a 3.0 for the year wins money
- Individuals above a 3.5 are awarded Triangle Scholar Certificates

Form N is your application for all of these awards. Unlike the reports we receive from many universities, this is the only objective way to compare all of our chapters (especially since all of our chapters are not on a 4.0 scale). It also allows us to track the progress of a chapter from one year to the next and look for trends, or areas where we may be able to offer assistance.

This form should be filled out by the Scholarship Chair for every term immediately after grades are available. To complete the form, you need the names of all members as well as the number of credit hours they took and the grades they received per credit hour. We should receive this form within 3 weeks of the completion of an academic term, and we **must** receive all forms by June 30 to consider a chapter for the awards listed above.

# Form N - Chapter Grade Report

Rev. 6/98

Chapter: \_\_\_\_\_ Date of report \_\_\_\_/\_\_\_\_/\_\_\_\_

Is your chapter on (circle one)                      Quarters                      or                      Semesters?

This report covers the (circle one) Fall, Winter, or Spring term. That term began on (date)\_\_\_\_\_ and ended on (date) \_\_\_\_\_.

***Please follow all instructions carefully, especially if your campus is not on a 4.0 scale. Begin with the individual member worksheets.*** Chapter Worksheet - Take the information gathered in the individual worksheets and place it in this table:

Who	Total Credit Hours	Grades:	A	B+	B	C+	C	D	E/F
Actives	_____		_____	_____	_____	_____	_____	_____	_____
Pledges	_____		_____	_____	_____	_____	_____	_____	_____
Combined	_____		_____	_____	_____	_____	_____	_____	_____

Now take the information above and calculate it as follows:

a. Multiply the hours under A by 4 and write in the totals:

Actives \_\_\_\_\_                      Pledges \_\_\_\_\_                      Combined \_\_\_\_\_

b. Multiply the hours under B+ by 3.5 and write in the totals:

Actives \_\_\_\_\_                      Pledges \_\_\_\_\_                      Combined \_\_\_\_\_

d. Multiply the hours under B by 3 and write in the totals:

Actives \_\_\_\_\_                      Pledges \_\_\_\_\_                      Combined \_\_\_\_\_

e. Multiply the hours under C+ by 2.5 and write in the totals:

Actives \_\_\_\_\_                      Pledges \_\_\_\_\_                      Combined \_\_\_\_\_

f. Multiply the hours under C by 2 and write in the totals:

Actives \_\_\_\_\_                      Pledges \_\_\_\_\_                      Combined \_\_\_\_\_

g. Multiply the hours under D by 1 and write in the totals:

Actives \_\_\_\_\_                      Pledges \_\_\_\_\_                      Combined \_\_\_\_\_

Add up a-g for each group and write the totals here:

Actives \_\_\_\_\_                      Pledges \_\_\_\_\_                      Combined \_\_\_\_\_

Divide each of these totals by the total number of credit hours and write the results here (i.e. Actives a-g totals divided by the total number of credit hours for the Actives as listed in the table above - 1000 points /300 hours = 3.3).

Actives GPA \_\_\_\_\_                      Pledges GPA \_\_\_\_\_                      Combined GPA \_\_\_\_\_
