FOR IMMEDIATE RELEASE

Ariel Tarosky to Depart Triangle After 4 Years of Service

PLAINFIELD, IN. – Triangle Fraternity announces the departure of Ariel Tarosky, Director of Education and Communications. Ariel, who has served Triangle with distinction for four years, has accepted a job at Ohio University as their new Director of Sorority and Fraternity Life.

Ariel has been essential to the growth and improvement of Triangle's most important programs, including our annual Leadership Training Weekend (LTW), the biennial Herb Scobie Leadership School, the Journey continuing membership education experience and many of the online programs and resources our chapters use every day.

Further, she has guided a growing national presence through social media, email, text, web and print mediums, informing and educating our membership and improving understanding of national events and the resources available to support our chapters and members.

Executive Director Tom Pennington said, *"Ariel has been an invaluable part of the staff team. Her creativity, organization and dedication have had a direct impact on the Fraternity's success and made a difference in the lives of so many members. Our loss is Ohio University's gain."*

On behalf of the Triangle National Council and the members and staff of Triangle, we wish her happiness and success as she moves on to this new challenge. We know the Ohio University community will benefit greatly from her presence.

Ariel will be with us through our Convention July 17-21 in Indianapolis. Her employment with Ohio University begins August 1. Send your thanks and best wishes to her at ariel@triangle.org.
