- 3.9.3 Beginning with the 1996-97 academic year, any chapter having an outstanding balance due National Council in excess of twenty percent (20%) of its predicted annual national fees (National Active Fees, Pledge Fees, Initiation Fees and National Meeting Reserve fees) for more than sixty days will be subject to the following sanctions:

WEAKENING the bonds of brotherhood by adversely affecting interpersonal relationships within the chapter; and

“WHEREAS, the North-American Interfraternity Council, the Fraternity Executives Association, and several member fraternities have taken a position against these auxiliary groups;

“THEREFORE BE IT RESOLVED, that Triangle Fraternity hereby states its position on ‘little sisters’ as follows:

The formation of new ‘little sister’ groups is prohibited;

Chapters having ‘little sister’ groups are to eliminate these groups by the end of the 2003-2004 academic year.”

POSITION STATEMENTS / Non-Discrimination Policy

Effective July 31, 2005

3.12.1 The following resolution was adopted by the 2005 National Convention:

“WHEREAS Triangle Fraternity is an organization of men in engineering, architecture, and science, limiting its membership on the basis of gender and academic discipline; and

“WHEREAS our chapters, colonies, interest groups, and national organization should value the diversity and tolerance of its membership; and

“WHEREAS the Ritual of Triangle defines the standard by which each brother should be judged -- individual merit, not class or category; therefore be it

“RESOLVED that discrimination on the basis of race, color, national origin, sexual orientation, condition of disability, or religious affiliation is inconsistent with the guiding principles of Triangle Fraternity; and be it further

“RESOLVED that discrimination in practice or policy shall not be tolerated within the Chapters, Colonies, Interest Groups, or National Organization of Triangle Fraternity.”

POSITION STATEMENTS / Open Expansion Policy

Revised March 11, 2018

3.13.1 The following resolution was adopted by the 2005 National Convention and subsequently modified by National Council:

“WHEREAS Triangle Fraternity wants every opportunity to expand to all eligible campuses; and

“WHEREAS Triangle Fraternity recognizes and supports the position of the North-American Interfraternity Conference (NIC), which promotes that we must extend good will and like opportunities to NIC members if we are to expect like good will and opportunities in return; and

“WHEREAS Triangle Fraternity upholds its Code of Ethics by promoting the Fraternal Movement which upholds the traditions and programs of alma maters and promotes the welfare of all professions, now therefore be it

“RESOLVED that Triangle Fraternity's chapters and members are expected to support expansion of any NIC member group to their campuses; be it also

“RESOLVED that Triangle Fraternity's chapters and its representatives are expected to support any NIC member group's application for membership to their campus's Inter-Fraternity Council (IFC) or like organization, where we have a vote in that process; and be it also

“RESOLVED that Triangle Fraternity expects all NIC members and their chapters, representatives and members to support any expansion efforts of Triangle to their campuses (including membership in any IFC or like organization).”

POSITION STATEMENTS / University Relations Policy

Revised March 11, 2018

3.14.1 The Triangle Code of Ethics states that each member shall “uphold faithfully the traditions and program of [his] alma mater.” As a collection of members, each chapter is also expected to follow this course in its relationship and interactions with its host institution.

Therefore, each chapter and its members shall:

- a. Be a properly recognized student organization in accordance with the regulations set forth by its host institution and/or...
- b. Be a member in good standing of its Inter-Fraternity Council (IFC) or like organization, and take an active part in university activities available to fraternities.
- c. Obey student codes of conduct as well as all university regulations applying to Greek organizations and student organizations.

In the rare situation that a university policy is deemed contrary to the ideals of Triangle or the rights of its members, any of the above requirements may be waived on a case-by-case basis by a majority vote of National Council. If a chapter and its members are not able to fulfill any of the above requirements, because of a refusal to sign a recognition, relationship, or similar document indemnifying the institution against its own negligence, or if it is determined that membership in the campus IFC is a barrier to success, then National Council can waive any of these requirements. (See regulation 3.15 for additional information).

Fraternity Regulation 3.15 (Original) Page 1 of 1

POSITION STATEMENTS / Non-indemnification of Host Institutions and Limit of Authority of Individual Chapters

Effective October 3, 2010

- 3.15.1 Triangle Fraternity (Fraternity) values its relationship with its many host institutions across the United States of America;
- 3.15.2 However, Triangle will not defend or indemnify any college or university host institution against the institution's own negligence and will not protect or defend any college or university host institution against any claim for an action or inaction related to the negligence of that host institution, its agents or employees.
- 3.15.3 In addition, chapters, undergraduate chapter members or officers, chapter advisory board members, and House Corporation officers or any other person affiliated with any individual chapter are not officers of Triangle Fraternity, and have no authority to execute agreements, contracts, or documents on behalf of the Fraternity that would bind or otherwise obligate the Fraternity.
- 3.15.4 No chapter should sign a recognition, relationship or similar agreement with a host institution without outside review by our insurance agent and National Headquarters and, if appropriate, legal counsel.
- 3.15.5 Pursuant to the Federal Volunteer Protection Act, 42 U.S.C. §§ 14501-14505, college or university host institutions may not hold Triangle volunteers, at any level, liable for harm resulting from a negligent act or omission of a volunteer who was acting within the scope of his responsibilities as a Triangle volunteer.
- 3.15.6 At the start of school in the fall of each year, a copy of this policy should be mailed to each host institution that requests/requires such coverage. This regulation serves as notice to all members, officers and volunteers.

CHAPTER AFFAIRS / Criteria for Alumni Board Operation

Effective August 7, 1973

- 4.1.1 Meet monthly.
- 4.1.2 Include advisors as ex officio members without vote, unless advisor is elected to board, in which case he has voting power.
- 4.1.3 Require the undergraduate president and undergraduate treasurer to report in person at monthly board meetings.
- 4.1.4 At least examine, and preferably approve, Active Organization Budget (Form X-1) and Active Organization Program (Form S).
- 4.1.5 Give undergraduate treasurer assistance in collecting bills.
- 4.1.6 Secure house notes, if note system is used, from all new initiates. Consider an undergraduate house note treasurer for this. Failure to secure notes has cost a number of chapters much needed money for house remodeling and construction. The use of a house note system is highly recommended and considered by BLF in loan negotiations.
- 4.1.7 Alumni treasurer bill alumni for annual alumni dues and house notes due not less than annually.
- 4.1.8 Meet with Mothers, Wives or Parents Club at least semi-annually.
- 4.1.9 One or more board members should dine at chapter house monthly or more frequently.
- 4.1.10 One or more board members confer not less than monthly with housemother and cook.
- 4.1.11 One or more board members visit engineering, architecture and science deans and advisor to fraternities at least semi-annually.
- 4.1.12 Attend Founder' Day and initiation ceremonies insofar as possible. Assist the undergraduates in planning and promoting Founders' Day celebrations.
- 4.1.13 Hold annual corporation meeting at house. Actives, who are corporation members, in particular should hear financial report of corporation treasurer and receive, as all members should, a printed copy.

Most undergraduates are amazed at how little is left after mortgage or lease payments, taxes, insurance and major repairs are covered. This is aggravated if a rent payment is missed, the serious effect of which should be understood by the undergraduates.
- 4.1.14 Alumni board should choose and recommend the chapter advisor for acceptance by the undergraduates, or should have veto power over active organization choices of advisor. The chapter advisor may spend more time with the undergraduates, but his role is indicated by the fact he is chapter (active + alumni) advisor, not active organization advisor.

CHAPTER AFFAIRS / Ritual and Initiation Ceremony

Revised February 3, 1996

- 4.2.1 The impression that the Ritual makes upon a candidate for membership and the members of the chapter depends largely upon the manner in which it is presented. The individual members of the chapter should be familiar with all parts of the Ritual.
- 4.2.2 The complete Initiation Ceremony shall be read in an active organization meeting during the first month of each school year unless an initiation is scheduled to be conducted within the first two months of the school year.
- 4.2.3 Each active organization shall carry out all provisions on the Ritual exactly as specified, without alterations or additions.
- 4.2.4 The Initiation Ceremony shall be in the charge of a Ritual Committee appointed by the president of the active organization. The vice president of the active organization shall serve as chairman of this committee.
- 4.2.5 Within twenty-four hours after the Initiation Ceremony, the secretary of the active organization shall forward to the National Office a report on the initiation, stating the full names of the men who were actually initiated and explaining the situation in case any man for whom permission was secured and who was not initiated (Form E).
- 4.2.6 Because the presentation of the Ritual is a solemn event, there shall be no distractions permitted during its presentation. The presence or use of any alcoholic beverages during a Ritual presentation is specifically prohibited.

- 4.3.4 The secretary of the active organization shall furnish to the National Office such report of the Founders' Day program as may be requested for the National files or the TRIANGLE REVIEW.
