

# Triangle

## Recruitment Event Ideas

Having unique and fun recruitment events can help you gain and maintain interest from PNMs. When coming up with event ideas, think of you and your friends like to do in your spare time and go from there. Below is a list of events that chapters within Triangle have seen success with.

- Cards, Board Game Night
- Video Game Night
- Casino Night
- Laser Tag
- Bumper Cars
- Trivia
- Boat Races
- Formal Dinner
- Capture the Flag
- Mini Golf
- Athletic Games/Tournaments (basketball, softball, flag football, etc.)
- BBQ Night, Pizza Night, Beach/Smoothie Night
- Informational Sessions STEM Major Q & A

While it may seem obvious, having something interesting for the PNMs to do will keep their attention. Many people may be tempted to create over-the-top activities for PNMs to do, but it is most often the simplest of things that can create the most quality interaction between your members and the PNMs.

**PRO TIP**

### **BONUS THOUGHT**

Consider using a pre-established event as your recruitment event. This will help you showcase how Triangle is connected to other things on campus that matter to a PNM.
