NATIONAL PRESIDENT

Pete Satre os89

WELCOME TO TRIANGLE'S NATIONAL CONVENTION IN THE ROCKIES!

Dear Brothers and Esteemed Guests,

Welcome to the 2026 National Convention of Triangle Fraternity in Aurora, Colorado. It is my honor to welcome you as we gather in the shadow of the Rocky Mountains to celebrate our Brotherhood and strengthen the connections that unite us across chapters and generations.

This weekend provides an opportunity to reconnect with old friends, build new relationships, and develop as leaders within our Fraternity and beyond. Our agenda is filled with meaningful experiences, educational sessions, opportunities to recognize the substantial accomplishments of our members, and time to enjoy fellowship together.

A special highlight of this year's convention will be the installation of University of Colorado Boulder as our newest chapter. By bringing alumni and undergraduate members together to witness these important traditions and engage in conversations about their purpose and practice, we celebrate both the enduring values of Triangle and our shared responsibility to carry them forward.

Thank you for being part of this convention and for the time, energy, and dedication you invest in Triangle Fraternity. Your involvement strengthens our Brotherhood and ensures that the Triangle experience continues to inspire future generations of brothers.

In F, S, & C,

A handwritten signature in dark ink, reading "Pete Satre os89".
